In the BRITISH COLUMBIA GAZETTE, and in one news paper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the places at which the poll shall be so opened, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held, the candidates (duly qualified) who shall obtain the greatest number of votes shall be Reeve and Councillors respectively.

Every person qualified to vote shall have six votes, being one for each Councillor to be elected and one for Reeve, but he may vote for any less number than six: Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. In the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall, by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said Municipality.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates, if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Reeve or Councillor, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on the first Monday after the day of election, at Gregg's Hall, Eburne, aforesaid, at 12 o'clock noon.

Until provision be made by by-law in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act," and all the powers, privileges and duties of the Reeve and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector and Assessor, or such officers as they may deem necessary, who shall hold office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.
